KSS Activities:

KSS invites members to join the 2010 committee:

Kannada Sangha of Sacramento (KSS) is completing six years of its formation with many successes.
Congratulations to all of us on completing six years.

KSS was formed by few like minded people six years ago, with a simple goal **“Preserve and promote Kannada Language and Culture”**

There are several uniquely amazing and creative things KSS has done within the short span of six years with limited resources. You have been coming to our functions in increasing numbers. It may be due to the hospitality and hard work of the KSS volunteers in each and every event, managing to start the functions on time despite the involvement of so many new artists each time, serving you the delicious food with a hospitable smile, introducing new and creative methods like relevant background slides, lighting, music, side captions in English, the props, we can go on and on...

Quality of the programs is going only upward direction. Each time the bar is raised. One program is better than other. Above all these, it is just the simplicity and open hearted friendliness of KSS volunteers, what makes this work. We are sure you are proud that KSS evolved in Sacramento, your home away from home or your adopted new home.

Please come support KSS by joining 2010 committee and be part of this organization. The registration starts soon and formation process completed by 1st or 2nd week of January. Stay tuned for a detailed email about

this process.
